

## HEY CHRYSALIS BUTTERFLIES!

I hope everyone is having a great year! We serve an awesome God! I have a few things to inform ANYONE WHO SERVES DURING CANDLE LIGHT DINNER! There have been a few concerns with the outfits of some during candle light dinner and so I am going to share with you all the dress code.

1. Young ladies, if you are wearing a skirt, please make sure it comes past your fingertips.
2. NO SPAGHETTI STRAPS unless you have a cover up shirt.
3. No skin tight clothing.
4. No cleavage showing.
5. Please bring an extra outfit just in case your outfit is not appropriate. You might be asked to not serve and so if you bring another outfit then you can just change.

We are doing this to serve the butterflies in humility and praise for the Lord and so we should dress modestly and humble before the Lord. I hope this clears up any confusion about dress code and I hope to see everyone's smiling faces at the girl's weekend in July! I thank all of you who serve during the meals! We wouldn't have a normal Chrysalis weekend without you guys! Jesus loves YOU!

Love In Christ,

## better from the next bay Director....

I grew up at Greene Street, my youth pastor met her husband there, and I knew they had great snacks because the Sherry and Cain-o always took us down there to get some goodies! Chrysalis is something that I always knew I was going to do, so the summer after our freshman year, myself and a handful of my closest friends went to this weekend we knew nothing about because we finally could! It was nothing short of amazing, life changing, and the beginning of meeting some of the most influential Christian role models of a lifetime.

Being a part of numerous teams has fueled my passion for the Chrysalis movement and all the people that were involved. I have had my life impacted by some of the most amazing women through Chrysalis, some of my closest friends have been blessings from Chrysalis and I pray that I can be that positive Christian example to someone else. 3,329 people have gone through the Chrysalis weekend at Greene Street church since it began. That is a lot!! I'm pretty excited!!

This July 8-10 an amazing team of women will be joining together to support the girls on weekend no. 52. I challenge the Chrysalis community to really think about the people in your life, and the girls that you know that would benefit from such a life enriching experience. Anyone who has completed their freshman year of high school through the age of 24 can take part and I would love to spend the weekend with them! If you have any questions, or thoughts don't hesitate to call me at 937-214-6955.

The attendance has dropped off over the years, the last two weekends seem to have been picking up but I would love to challenge those of you that may have been MIA recently to make it a priority to be a part of the weekend, serving a meal, attending candlelight or closing, prayer, agape. Additionally I invite everyone to come to the closing service on July 10 at 5:30 to show their support for the weekend, but you also have the opportunity to see what the weekend meant to the girls that went through it. It's an amazing thing to hear how God moved in these girls life, and what they plan to do with their excitement! Who knows what could happen! Hope to see you there! You all have been a part of my life in one way or another through this retreat and I thank you for that!
